1971 Homemaker Of Tomorrow

Jane Garrette

The Appomattox County High School's 1971 Betty Crocker Homemaker of Tomorrow is senior Jane Garrette. She is the daughter of Mr. and Mrs. Lyle Garrette of Concord, Va., selected for her performance in a written knowledge and attitude examination administered to senior girls on Dec. 1. Jane received a specially designed award from General Mills, sponsor of the annual education program. Additionally, she is now eligible for state and national honors, including one of 102 college scholarships totaling $110,000.

The national first place winner, the 1971 Betty Crocker All-American Homemaker of Tomorrow, will receive a $5,000 educational grant. She will be chosen this spring from 51 Homemakers of Tomorrow representing each state and the District of Columbia at the close of an expense-paid educational tour of Washington, D.C., and Colonial Williamsburg, Va. Each of the state winners will be accompanied on this tour by a school advisor. Second - third- and fourth-place national winners will be awarded $4,000, $3,000 and $2,000 scholarships; the other State Homemakers of Tomorrow will receive $1,500 grants.

State judging centers on scores of school winners in the Dec. 1 test, with personal observation and interviews during the tour added factors in national selections. Second ranking Homemakers of Tomorrow in each state receive $500 educational grants. The school of every $1,500 scholarship winner receives a set of Encyclopaedia Britannica from Encyclopaedia Britannica, Inc.

All judging and selection is done by Science Research Associates, Chicago, which also conducted the examination for the written examination.

The Betty Crocker Searchfor-Tomorrow is the only national scholarship program exclusively for high school senior girls, Begun by General Mills in the 1954-55 school year to emphasize the importance of homemaking as a career, it will, with the 1971 grants, have awarded more than $1 3/4 million to 90.5 acre tract in Bedford County which is called Camp Virginia Jaycee. The camp is owned by the Virginia Jaycees and run by the Virginia Association for Retarded Children for the benefit of all retarded children in the state of Virginia.

Each jar of apple butter will sell for $1.00 with all proceeds (less cost) going toward the state goal of $150,000.00. A door to door canvass of the county is planned in order for all citizens to participate in the most worthwhile project. Further developments will be announced in the Times – Virginian and several radio stations.
